

CRIMSON RIDGE

QUARTERLY NEWSLETTER

SHAWNEE, KS | OCTOBER – DECEMBER 2022 | ISSUE NO 3

CRIMSON RIDGE NEIGHBORHOOD HAPPENINGS

Something's brewing....some spooky fun. A wicked good time for everyone!

Calling all ghouls and goblins, join the Crimson Ridge Halloween Parade, **Sunday October 30th at Noon** for some great costumes, treats and free ice cream from an HOA provided **Ice Cream Truck**.

Adults and older kids who would

like to provide treats to the young ones, please line the 46th Terr cul-de-sac (next to the pool) by noon. Kiddos should start on the South end of Anderson & 46th Terr and trick-or-treat around the cul-de-sac to the pool parking lot where an ice cream truck will be available for all to enjoy!

Special thanks to Yvette Clifton for planning and coordinating the event.

POOL SEASON

The 2022 pool season has come to a close.

Special thanks to Michaela Reynolds for an incredible pool season and Yvette Clifton for the Pool Party event.

CRIMSON RIDGE FOUNTAINS

Our fountains look SPOOKTACULAR!

Special thanks to Steve Drumm for the vision and hard work.

ANNUAL SLEIGH RIDE

More information to follow.

Special thanks to Yvette Clifton for planning and coordinating.

Storing the Stuff

One of the goals of the Crimson Ridge HOA is ensure our neighborhood looks great and operates smoothly. The City of Shawnee provides guidance via the Good Neighbor Program on multiple topics including outdoor storage.

Items such as lawn mowers, yard tools, buckets, and other miscellaneous items must be located within a fully enclosed structure or in your backyard and screened.

Shawnee Residents Good Neighbor Program

For detailed information on outdoor storage and other topics, review https://www.cityofshawnee.org/residents/good_neighbor_program

If you have concerns about outside storage, contact your [Codes Enforcement Office](#) at (913) 742-6010.

Storage items such as gardening equipment, vehicle parts, ladders, or wheelbarrows should not occupy more than 20% of the rear yard area. Firewood, not to exceed one cord (4' x 4' x 8'), may be stored outside per guidance.
