

**RESOLUTION OF THE BOARD OF DIRECTORS OF
THE FOREST VIEW HOMES ASSOCIATION**

Property Roof Construction

WHEREAS, the Declaration of Restrictions for Forest View grants the Board of Directors of Forest View Homes Association ("Association") with the power to enforce all covenants, restrictions, easements and charges contained in the Declaration;

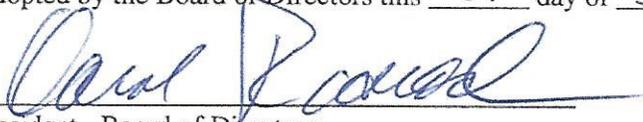

WHEREAS, the Board of Directors desires to promote the health, safety and general welfare of all residents within the Association and to enhance and protect the value, continuity, safety, and attractiveness of all property within the community known as Forest View by adopting guidelines and procedures by adopting construction standards to be followed by all residents herein.

LET IT BE RESOLVED that the Board of Directors does hereby consent that the following roof construction standards will be adopted:

1. Roofing materials to be considered shall be only asphalt shingle roofs. Only weathered wood, black & gray tones will be considered. Approved manufacturers are GAF and Owens Corning.
2. Roofs must have an architectural shingle with shadow lines and or relief imitating a wood shingle or wood shake.
3. Roof must be placed on solid decking. All existing roofing materials shall be removed down to the stringers and / or 1x4's.
4. Roofs must have a minimum U.L. Class B fire rating.

A sample of roofing material must be included with all roof requests. The size of the sample shall be a minimum of 2 square feet and have a minimum of two courses.

Adopted by the Board of Directors this 31 day of JULY, 2018.
