

# Coves Pool Rules

## Pool Hours:

Monday through Sunday, 11am to 9pm. When school is in session, pool hours may be reduced.

During the swim season there may be an occasional home swim meet on a Thursday. On these home swim meet days, the pool closes at 4pm for the home and visiting swim team warm-ups.

During swim team season, the swim team has exclusive use of the pool for practice from 7am until 11am, and two full pool length lanes from 11 to 11:30 am. Monday through Friday. Swim lessons will be given from 11am to 12pm.

For published Coves neighborhood scheduled events, such as a pool party or swim team picnic the pool will close early on those days.

From 11am to 12 noon, Monday through Friday there is a lap lane dedicated to adults who wish to swim exercise laps.

For ten (10) minutes each hour, starting at ten minutes before each hour, only the shallow end of the pool will be open for adults (18 and over). This is to allow the life guards time to clean bathrooms and attend to items in the pump room and apply chemicals. If no adults are present, there will be no swimming allowed.
