

POLICY REGARDING PETS

Article III, Section 2(l) of the Declaration of Covenants, Restriction, Assessments and Easements limits the number of pets to two, either dogs or cats, not having a combined weight of more than 100 pounds at maturity.

Invisible fences are not allowed and dogs must be kept on a leash of not more than 10 feet that is held by an individual when outside the owner's unit.

Owners are required to pick up after their animals.

EXCEPTION: The owner of 6307 W. 133rd Terr was allowed an exception to the invisible fence restriction by the developer. When that property is sold, the fence must be removed.
