Section 2. Title To Streets.

The Developer may retain the legal title to the Streets until such time as it has completed construction thereof and until such time as in the opinion of the Developer, the Association is able to maintain the same but notwithstanding any provisions herein, the Developer herein covenants for itself, its successors and assigns, that it shall convey the Streets and rights of way thereof as private roads subject to any utility easements, to the reservations and restrictions of record and to the right of access thereto and use thereof by all duly constituted public officials while acting in such capacity, to the Association not later than January 1, 1974, as to the Streets in Tract I of The Properties, and January 1, 1978, as to the Streets in Tract II.

Section 3. Title to Common Properties.

The Developer may retain the legal title to the Common Properties until such time as it has completed improvements thereon and until such time as in the opinion of the Developer, the Association is able to maintain the same but notwithstanding any provision herein, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey the Common Properties, subject to utility easements and to reservations and restrictions of record to the Association not later than January 1, 1974, as to the Common Properties in Tract I, and January 1, 1978, as to the Common Properties in Tract II.

Section 4. Extent of Members Easements.

The right and easements of enjoyment created hereby as to the Streets and Common Properties shall be subject to the following:

[a] The right of the Developer and of the Association to assign or convey sewage, water, drainage and other utility easements over, through or under all or any part of the Streets and Common Properties.

[b] The right of the Association to dedicate or transfer all or any part of the Streets and Common Properties to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members, provided that no such dedication or transfer shall be effective unless an instrument signed by members representing two-thirds of the eligible votes of the said Association has been recorded agreeing to such dedication or transfer and unless written notice of the proposed agreement and action hereunder is sent to every member at least thirty days in advance of the meeting of the Association at which any such action is taken.

ARTICLE VI

Every person or entity who is a record owner of a fee or undivided fee interest in any Lot shall be a member of the Association, provided that any such person or entity who holds such interest merely as a security for performance of an obligation shall not be a member.

Section 2. Voting Rights.

Each member shall be entitled to one vote for each Lot in which they hold the interests required for membership by Section 1 of this Article. When more than one person holds such interest or interests in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they determine among themselves, but in no event shall more than one vote be cast with respect to each such Lot.

ARTICLE VII

Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments.

The Owner of each Lot by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, hereby agrees to pay to the Association such annual assessments or charges for special assessments for capital improvements as may be fixed, established and constructed from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment became due.

Section 2. Purpose of Assessments.

The assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the residents in The Properties and particularly for the maintenance, snow removal, mowing, repair of streets and rights of way, the care and preservation of open spaces on the Common

Properties, payment of taxes and insurance thereon, the providing of trash and garbage collection, the providing of security services, and any other general maintenance and care for the general upkeep of the common areas.

Section 3. Basis and Maximum of Annual Assessments.

Until the Common Properties are conveyed by the Developer to the Association, the annual assessment shall be \$120.00 per Lot. From and after the conveyance of the Common Properties by the Developer to the Association, the annual assessment shall be set by vote of the members as hereinafter provided. Annual assessments may be paid in semi-annual installments.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized by Section 3 hereof, at any time after the conveyance of the Common Properties by the Developer to the Association, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of deferring in whole or in part, the costs of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Streets or the Common Properties, including the necessary fixtures and personal property related thereto. Provided, that any such assessment shall have the assent of two-thirds of the votes of members voting in person or by proxy at any meeting duly called and properly held for this purpose, written notice of which shall be sent to all members at least thirty days in advance, such notice setting forth the purpose of the meeting.

Section 5. Amount of Annual Assessments.

Subject to the limitations of Section 3 hereof, the Association may establish annual assessments as needed for current maintenance costs and needs of the Association. The annual assessments shall be established at any meeting of the Association duly called for this purpose with written notice to all members at least thirty days in advance, said notice setting forth the purpose of the meeting. Further, the assessments shall be established only by two-thirds of the votes of those members who are voting in person or by proxy at the meeting.

Section 6. Quorum for Any Action Authorized Under Sections 3, 4, and 5 of This Article Relating to Assessments.

The quorum required for any action relating to assessments as covered by Sections 3, 4 and 5 of this Article shall be as follows:

At the first meeting called for that purpose, the presence at the meeting of members or of proxies entitled to cast

sixty percent of all the votes of the membership shall constitute a quorum. If the required quorum is not present at the first meeting, another meeting may be called subject to the notice requirements set forth in this Article and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty days following the preceding meeting and so on until a quorum is achieved.

Section 7. Date of Commencement of Assessments.

The annual assessments provided for herein shall commence on the date fixed by the Board of Directors of the Association. The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Board of Directors and Officers, Duties.

The Association shall be governed by a Board of Directors elected by the members. The directors shall elect a president, vice-president, secretary and treasurer. The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Lot for each assessment period at least thirty days in advance of such date or period and shall at that time prepare a roster of The Properties and assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time furnish to any Owner liable for such assessment, a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-Payment of Assessment: Lien; Remedies of Association.

If the assessments are not paid on the date when due as set by the Board of Directors, then such assessment shall become delinquent and shall, together with such interest thereon and costs of collection if allowed by law, become a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. A personal obligation of the then Owner to pay such assessment however shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of 8% per annum and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose a lien against the property and there shall be added to the amount of such assessment, the costs of preparing and filing a complaint in such action if allowed by law and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and any reasonable attorney's fees if allowed by law, together with the costs of the action.

Section 10. Subordination of Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage now or hereafter placed upon The Properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 11. Exempt Property.

The following property subject to this Declaration shall be exempt from the assessments, charge and lien created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the municipal authority and devoted to public use; (b) all Streets and Common Properties as otherwise defined herein. Notwithstanding any provisions herein, no land or improvements devoted to a Dwelling use shall be exempt from such assessments, charges or liens.

ARTICLE VIII

Approval of Plans

Section 1. Review by Developer or by Association.

No sign, building, fence, wall or other structure shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to the Association (or the Developer if prior to the time that Common Properties are conveyed over to the Association); for approval in writing as to harmony of external design and location in relation to surrounding structures and topography. The Board of Directors of the Association may appoint an architectural review

committee to carry out the responsibilities of this approval. In the event the Board or designated committee (or Developer if applicable) fail to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE IX

General Provisions

Section 1. Duration and Amendment.

The covenants, restrictions, and other provisions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association or by the Owner of any land subject to this Declaration, their respective legal representatives, heirs, successors, and assigns, for a term commencing upon the date this Declaration is filed with the Office of the Register of Deeds of Johnson County, Kansas and ending on December 31, 1993, after which time said covenants, restrictions and other provisions shall be automatically extended for successive periods of ten (10) years each. The provisions of this Declaration may be amended, modified, or terminated at any time by an instrument signed by the Owners of not less than eighty-seven and one-half percent (87.5%) of the Lots. However, no such instrument shall become effective until recorded in the Office of the Register of Deeds of Johnson County, Kansas, or in such other place of recording as may be appropriate at the time of the execution of such instrument.

Section 2. Notices.

Any notice required to be sent to any Member or owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 3. Enforcement.

Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages or both and against the land to enforce any lien created by these covenants and failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. Severability.

In the event any one of these covenants or restrictions are held invalid by a judgment or court order, this shall in no way affect any other provision which shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned Owners have executed this instrument to be effective upon its filing with the Office of the Register of Deeds of Johnson County, Kansas.
