Date of Passage: 02/19/2020

Postmark mailing to members: 02/28/2020

Effective Date: 03/09/2020

The Architectural Review Board (ARB) has for many years enforced a standard to bring all mailboxes into compliance to enhance the beauty and homeowner values within Tremont.

The only approved Tremont mailbox is the Black Powder Coated Barcelona Mailbox Post System. This includes the Barcelona Mailbox Post, the Fleur de Lis Mailbox, the S' Scroll Mounting Bracket (required to mount the mailbox to the post) and Mailbox Address Number Plate.

Homeowners need to contact the Architectural Review Board for acceptable vendors/sourcing.
